

ENGLISH LANGUAGE FELLOW PROGRAM

Through the English Language Fellow Program, highly qualified U.S. educators in the field of Teaching English to Speakers of Other Languages (TESOL) participate in 10-month-long fellowships at academic institutions throughout the world. The EL Fellow program fosters mutual understanding, promotes English language learning, and increases the ability to learn English abroad.

The University of Bihać, through its Office for International Relations and in cooperation with the Office for Public Affairs of the US Embassy in BiH, has been participating in this program since the founding of the University.
